

Agtron is offering a **25% discount** to customers upgrading to our LEGEND rate and blockage systems until **December 19, 2018**. ANY BRAND of old air drill monitors and sensors are accepted as trade-ins. Here are the systems available through the upgrade program:

- THE LEGEND Basic Wi-Fi Rate and Blockage system
- THE LEGEND Basic ISO Rate and Blockage system
- THE LEGEND Advanced Wi-Fi Rate and Blockage system
- THE LEGEND Advanced ISO Rate and Blockage system

Here's how it works. Simply purchase THE LEGEND from an authorised dealer before December 19, 2018. You will receive an RMA (Return Materials Authorization) with your new system. Then send in your old parts before August 15 2019 to receive your credit.

You will get the full **Agtron 3 year warranty** on your new LEGEND system!

NOTE: All shipping costs are the responsibility of the customer.

Trade in your old Air Drill Blockage Monitor for
THE LEGEND
Wi-fi Rate & Blockage Monitor
